## A great way to learn music

We recently showed your child how much fun it is to play the harmonica. It sounds great, it's easy to carry and it's cool for boys and girls alike. In fact it's the perfect way to get into music for children of any age, from Reception and Key Stage 1, to Key Stage 2 and beyond. And it's much more affordable than other instruments. No tricky keys, frets or finger holes for small hands! If you can breathe in and out, you can enjoy making music on the harmonica.

"Last week two Harp Academy children performed *Somewhere Only We Know* to the whole school. You could have heard a pin drop! It brought tears to our eyes. You do a great job. Thank you."

## The home of champions

At Harp Academy we love having fun! Playing to audiences is a vital part of our curriculum. We understand how performance builds self confidence and creates happy memories for everyone. When children are ready, their journey starts with playbacks in school assembly. From there we attend local events such as Paddle Round The Pier, children's hospitals and JAM Brighton. At October half term, children can compete at the national harmonica festival, where we have been producing champions since 2011!
