## A great way to make music

We recently showed your school how much fun it is to play the harmonica. It sounds great, it's easy to carry and it's cool for boys and girls alike. In fact it's the perfect way to access music for children of any age, from Pre-School to Key Stage 2, and it's much more affordable than other instruments. No tricky keys, frets or finger holes for small hands either. If you can breathe in and out, you can enjoy making music on the harmonica!

Thank you so much for introducing my daughter to this wonderful art form. She absolutely loves harmonica and will keep playing forever!

## The home of champions

At Harp Academy having fun is top of our wish list, and playing to audiences is a vital part of our curriculum. We understand how performance builds self confidence and creates happy memories for everyone. When children are ready, their journey starts with playbacks in school assembly. From there we attend local festivals such as Paddle Round The Pier, Harpin' By The Sea and entertain in children's hospitals. There is also an opportunity to compete at the national harmonica festival, where we have been producing junior champions since 2011!
